VickySteeves VickySteeves VickySteeves

Objective

I work to support researchers in creating well-managed, high quality, and reproducible research through integrating reproducible practices into the research workflow, advocating openness in all facets of scholarship, and building/contributing to open infrastructure.

Education

Simmons College **Boston, MA**
Master of Library & Information Science *2013 – 2014*

Simmons College **Boston, MA**
Bachelor of Science Computer Science & Information Technology *2010 – 2013*

Graduate and Undergraduate Research Experience.....

Supervisor: Kathy Wisser **Boston, MA**
Small World Project *Spring 2014*
Analyzed research done with social media networks on archival material and visualized the analysis using Gephi.

Supervisor: Nanette Veilleux **Boston, MA**
Computational Linguistic Approach to Inflection in Human Speech & Difference *2012 – 2013*
Recorded speech exemplars and used a specialized programming language (Praat) to write a program to determine the tonal center of gravity of each exemplar and make sure that it matches the intended intonational contour.

University College Cork **Cork, Ireland**
Celtic Studies *July 2012*
Completed coursework in Irish language, literature, and history.

Awards and Honors.....

Simmons College
Dean's Fellow Award *2013 – 2014*
Given to students that demonstrate academic excellence.

Simmons College Computer Science & Information Technology Department
The Computer Science Award *2013*
Given for excellence in Computer Science.

Simmons College
Collaborative Research Experience for Undergraduates *2012 – 2013*
A research grant given to encourage women in STEM fields to complete research studies in their fields.

Simmons College
Bowker Award for Travel *2012*
Given to undergraduates who demonstrate academic excellence, completing their studies abroad.

Simmons College
Simmons College 3+1 Undergraduate and Graduate Program *2010 – 2014*
First participant.

Professional Experience

Pratt Institute

Visiting Professor

I teach data librarianship for the School of Information and Library Science. Materials available here: <https://vickysteeves.gitlab.io/lis-628-datalibrarianship/>

New York, NY

2017 –

New York University

Librarian for Research Data Management & Reproducibility

A dual appointment between NYU's Division of Libraries and Center for Data Science. In this role, I work to support students, faculty, staff, and researchers in creating well-managed, high quality, and reproducible research through facilitating use of tools such as ReProZip, teaching and instruction, and group and individual consultations.

New York, NY

2015 –

Simmons College

Adjunct Professor

I taught database management online for the School of Information and Library Science. Fall 2017 & Spring 2018.

Boston, MA

2017 – 2018

Metropolitan New York Library Council

Interim Program Coordinator

I handled the day-to-day operations of METRO's National Digital Stewardship Residency in New York program. I contributed to project planning, communications, documentation, evaluations, outreach, as well as maintained the program's web presence. I planned, organized, and ran NDSR-affiliated events, meetings, and workshops.

New York, NY

2015 – 2016

American Museum of Natural History

National Digital Stewardship Resident

My project at the AMNH consisted of performing an environmental scan of the Science divisions to better understand their data storage, curation, and preservation needs. After data collection, I identified existing practices and policies for integrated data storage, access, and management. After data analysis, I recommended strategies to digitally preserve the scientific research at the AMNH.

New York, NY

2014 – 2015

Sasaki Associates

Archives Intern

I processed historical architectural material and wrote the accompanying finding aid and created records for each, then catalogued the collections in Koha ILS

Waterville, MA

Spring 2014

Simmons College

Dean's Fellow for Technology

I managed social media for the undergraduate science departments to generate interest in STEM at Simmons through outreach to alumnae, current students, and prospective students, working on content creation with faculty.

Boston, MA

2013 – 2014

2015 – 2018 Work

Grants Funded.....

Vicky Steeves and David Millman. "Investigating & archiving git.", 2018. Sloan grant to investigate options for archiving scholarship in git and on git-hosting platforms. More information available at <https://investigating-archiving-git.gitlab.io/>.

Rémi Rampin, Vicky Steeves, Fernando Chirigati, Meredith Broussard, and Katherine Boss. "Saving data journalism.", 2018. IMLS grant to archive dynamic websites. More information available at <https://savingjournalism.reprozip.org>.

Service to the Profession

The LIS Scholarship Archive: Co-director of [LISSA](#), a partnership with the Center for Open Science & the LIS community to build a place for LIS scholars to share their work.

SPARC: Contributor to the SPARC International Survey on Research Data Management Readiness (with Nick Wolf and Scott Collard).

Guest blog post for GitLab: about how their platform helps with research reproducibility: <https://about.gitlab.com/2017/08/25/gitlab-and-reproducibility/>

Interview with dh+lib: on how my career path as a data librarian is informed by ethics from CS degree: <https://acrl.ala.org/dh/2018/04/04/repro/>

Interview with Simmons College: on my experience as the first 3+1 program student: <http://www.simmons.edu/news/school-of-library-and-information-science/2017/may/vicky-steeves>

Radian: Editor.

The Idealis: Editor.

CLIR: Participant, 2016 CLIR eResearch Network Research Data Management cohort.

Preservation and Archiving Special Interest Group: Chaired the committee responsible for the reproducibility track of the Fall 2016 conference.

Center for Open Science: Open Science Framework Ambassador. Participant in the 2016 SHARE Curation Associates program.

DLF: Participant in the 2016 eDLF Data Management Cohort.

Data And Software Preservation for Open Science: External organizer for the workshop on containerizing science.

Library Information and Technology Association: Taught a one-month course on building library services around openness and reproducibility.

Preservation and Quality Tools: Facilitated a hands-on session at this workshop on ReproZip.

Data And Software Preservation for Open Science: Led multiple hands-on sessions on ReproZip. Presented to the DASPOS board of directors on NYU's open source reproducibility initiatives.

OpenCon: Guest lectured on reproducibility for the OpenCon early career librarian's call.

Metropolitan NY Library Council (METRO): Presented a webinar teaching RDM principles to library and information professionals.

Pratt School of Library and Information Science: Guest lectured in Meg Smith's Data Librarianship class on my career path, RDM, and reproducibility. 2016 & 2017

Palmer School of Library & Information Science: Guest lectured in Don Mennerich's Digital Archives class for the Public History program on RDM. 2016 & 2017

Queen's College Graduate School of Library & Information Science: Guest lectured in Robert DeCandido's digital stewardship class at Queens College on data management, NDSR, and my career path.

Technical skills

Programming Languages: Python, R, Java, C, C++, Objective C, Perl, PHP, SQL, HTML, CSS, JavaScript, jQuery, AJAX, and Praat

Operating Systems: Ubuntu Linux, Microsoft Windows, Mac OSX

Library Standards: XML,JSON, XSLT, DDI, EAD, DACS, PREMIS, MARC, Dublin Core

Employment History

Pratt Institute <i>Visiting Professor</i>	New York, NY 2018 –
New York University <i>Librarian for Research Data Management & Reproducibility</i>	New York, NY 2015 –
Simmons College <i>Adjunct Professor</i>	Boston, MA 2017 – 2018
Metropolitan New York Library Council <i>Interim Program Coordinator</i>	New York, NY 2015 – 2016

American Museum of Natural History

National Digital Stewardship Resident

New York, NY

2014 – 2015

Simmons College

Dean's Fellow for Technology

Boston, MA

2013 – 2014

Simmons College

Technical Resource Assistant

Boston, MA

2013 – 2014

Provide technical instruction to students, staff, and faculty at the Graduate School of Library and Information Science (GSLIS). Troubleshoot hard/software issues within GSLIS for students, staff, and faculty.

Simmons College Computer Science Department

Teacher's Assistant

Boston, MA

2011 – 2013

Assist in creating classwork, homework, and quizzes for students to complete. Grade students' work and report these grades to the instructor.

Simmons College Computer Science Department

Lab Monitor

Boston, MA

2011 – 2013

Assist students with troubleshooting soft/hardware issues. Repair and maintain computers in the computer science laboratory.

Research Interests

Professional Interests: Data management, reproducibility, digital preservation, digital archiving, systems analysis, database management, web development, software engineering and development, computational linguistics.
