Berr's monologues

- * Marphemus, the shape of the air - we can't see him but we can "feel" him
- * We know who he is but not TDA what he looks like
- * He gives good fortune for the air - he was the quiet one
 - ↳ we only know the reaction to him
- * We're at the bottom of the tunnel, Tiffany gets a lavender light - ceiling has stalagmites and the ground is an inch thick cloudy pad

couldn't control the elements, his ancestor
locked up all the spirits to do the will of
him!
